for Research & Innovation

Executive Summary

This deliverable reports on the progress of the communication and dissemination activities from all project partners during the second dissemination phase (M13 – M24). It contains all the dissemination activities done during the second year of the project which have been restructured according to the feedback from the first-year review. The dissemination and communication progress is monitored by qualifying and quantifying the previous activities and ensuring that these are at least sufficient to keep the project in line with the desired dissemination goals.

This document is structured as follows: Section 1 introduces the document; Section 2 reports the dissemination channels that the project used during the reporting period; Sections 3, 4 and 5 detail the dissemination and communication actions; finally, Section 6 concludes the document.
